

# EOI for GP Paediatric Developmental Behaviour Clinical Placements at West Moreton Health

**Paid General Practitioner clinical placements with the Paediatric Behaviour and Development Medical Team are being offered at Ipswich Hospital commencing March 2019.**

- Paid GP placement positions offered during 2019.
- 4 hours per week for 12 weeks.
- GPs to be paid for placement hours.
- Focus on children with developmental behaviour problems and learn interventions to stimulate their development and management of medications.

On completion of this clinical placement, there may be an opportunity to become a part of the West Moreton Health GPwSI (GP with Special Interest) program specialising in paediatric developmental behaviour disorders.

- Paid position for 12-month contract with West Moreton Health, 4 hours work per week for 12 months.
- Be part of Paediatric Outpatient team and manage a case load of children with behaviour disorders.
- Ongoing mentoring from West Moreton Health Paediatric Behaviour and Development Specialists.
- On completion of 12 months return to your practice with skills and confidence to manage children with paediatric developmental behaviour disorders.

## Learning Outcomes

- Increased confidence in management of paediatric developmental behaviour disorders.
- Increased confidence with managing medications for children with developmental behaviour disorders.
- A better understanding of interventions which stimulate behaviour development.
- Improved knowledge of processes and needs of children requiring assessment for developmental behaviour disorders.

**Resources and CPD:** GPs will be provided with a pack of resources and information to assist with planning and undertaking the clinical placement and meeting College CPD requirements after confirmation of dates for the clinical placement.

**Register:** GPs can complete and return the EOI below, or contact Helaine Freeman, for further information  
E: [helaine@ddwmpnh.com.au](mailto:helaine@ddwmpnh.com.au) P: (07) 3202 4433.
