TALK ABOUT is a way for Darling Downs and West Moreton PHN to ask you about your experience with healthcare in your community.

We want to know what you think is working well and what you think could be done better to improve your healthcare experiences. We want to hear from you, our latest TALK ABOUT survey is open from 3 September to 15 October 2025.

Let's TALK ABOUT...

WOMEN'S HEALTH

Women's health is about more than just physical wellbeing, it includes mental, emotional, and social health across every stage of life.

By understanding the needs and experiences of women in our community, we can improve health services, make care more accessible, and ensure women feel supported in every aspect of their health journey.
