Darling Downs Health

Invitation

On behalf of the Darling Downs and West Moreton PHN and Darling Downs Health, we warmly invite you to be a part of the Darling Downs GP Symposium 2025.

The GP Symposium is a one-day deep dive into cardiology, gastroenterology, orthopaedics, psychiatry, VAD, palliative care, and the latest updates from Darling Downs Health.

This is an in-person event that delivers real and meaningful connection between GPs and their peers across the health system.

Over 60 participants are expected to attend, presenting a valuable marketing opportunity for organisations interested in reaching and educating GPs who are interested in connecting with service providers and referral agencies.

A range of partnership packages and display opportunities are available for this one-day symposium to help your organisation reach this valuable market.
