

Quick tips to ensure you are registered correctly for General Practice in Aged Care Incentive (GPACI)

- Learn more about [GPACI](#)

Important - Organisation Register

- is your organisation registered** for both **MyMedicare** and GPACI **programs**?
- are the **current bank details** for your organisation entered?
- check the **currency of accreditation details** (If you are updating your accreditation details, please remember to *save and submit new dates*)?
- are all your **Providers** added?
- **Note:** If you are unable to amend **Organisation Register** (view only) refer to [PRODA Organisation attributes for HPOS Organisation Register Access](#)

Patient Registration for GPACI

- Staff requiring access to **MyMedicare tile** need to be added as a **member** in the PRODA organisation and attributes added for HPOS-Access and HPOS-MyMedicare-Program-Staff
- Are your RACH residents registered for **both MyMedicare** and **GPACI**?
- Do a patient search for GPACI patients to double check
- For more information visit [Managing Patient Registrations](#)

Check MyMedicare – [GPACI Requirements and Eligibility Forecasts](#)

- In any given assessment period the patient, responsible provider and practice must all be eligible and **linked for at least one same day of the quarter**.
- The practice, responsible provider and their care team must deliver the **quarterly eligible services** and the **annual eligible services**.
- Remember to check [GPACI program guidelines 2024](#)
- For MyMedicare e-learning modules, resources (including infographics and simulations) and important announcements from Services Australia visit [MyMedicare - Health Professional Education Resources](#)
- Read GPACI [Frequently asked questions](#)

Contact details

For MyMedicare incentive inquiries, contact Services Australia's MyMedicare Provider Enquiry Line on 132 150 (*select option 2*), or the Incentive Programs line on 1800 222 032.
