# Government agenda driving change

Initiative	Allied Health Impact			
Health care identifier reform	<ul> <li>All AHPs eligible for HPI-I</li> <li>Streamlined allocation via professional association for non-Ahpra registered AHPs</li> </ul>			
Sharing by default	<ul> <li>More information in MHR to view</li> <li>Must upload information for Medicare rebate: CDM plans</li> </ul>			
Data & clinical terminology standards	Must record using consistent terminology standards			
Electronic prescribing, requesting and referrals	<ul> <li>Electronic pathways in line with legislation and scope</li> <li>Increased visibility of information, reduced duplication</li> </ul>			
National allied health workforce strategy	Reporting requirements?			
<ul> <li>National directories / Provider Connect Australia<sup>TM</sup></li> </ul>				
Allied health digital uplift plan	Known reform pathway & timelines			
Cyber security green paper	Cyber security support     Allied Health     Professions     Australia			

### 3 Key Enablers

### HPI-I

- Ahpra regulated 62% don't know how to access HPI-I
- Non-Ahpra regulated
- 17% have a HPI-I
- 92% without don't know how to register

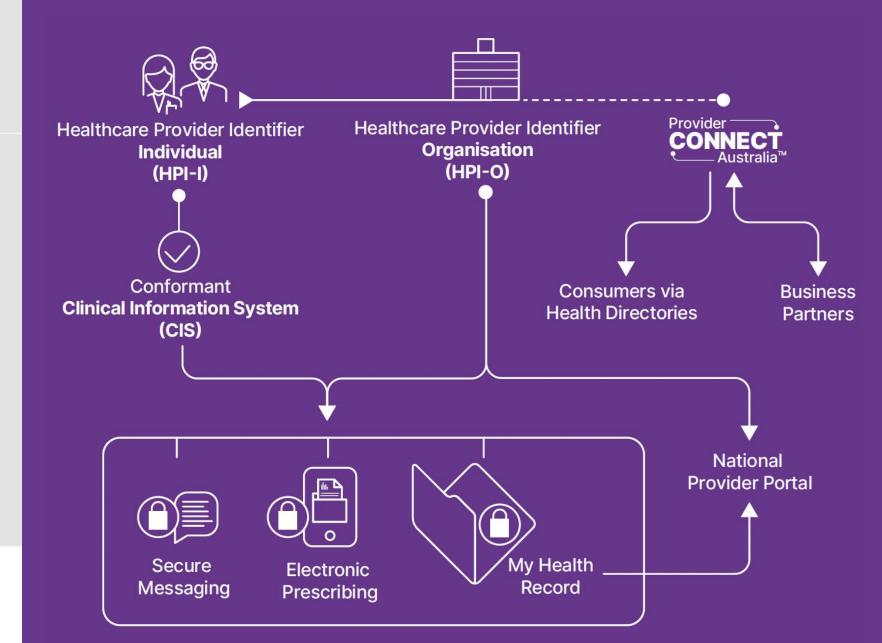

### CIS

- 36% don't use a CIS
- Only one My Health Record conformant CIS appears in the top
   10
- 114 CIS in use across the sector

## Training & education

PCA: 80% unaware; 3% registered

Figure 5.1 Infrastructure requirements to use key digital products

# **AHPA** work for the sector

Enabler	Initiative	Benefit	Partner/s
HPI-I	<ul> <li>Streamline non-Ahpra registered practitioner registration</li> </ul>	<ul> <li>Faster access to HPI-I</li> <li>Reduced administrative burden</li> </ul>	<ul><li>Services     Australia</li></ul>
Fit for purpose CIS	<ul> <li>Data Terminology         Standards (Clinical &amp;         Service Type)     </li> </ul>	<ul> <li>AH terminology within National data standards to facilitate interoperability</li> </ul>	<ul> <li>CSIRO – Sparked program</li> </ul>
	MHR conformance	<ul> <li>Upload and view clinical information</li> </ul>	<ul> <li>Agency</li> </ul>
Training & Education	• Education	<ul><li>Informed decision making</li><li>Trusted resources</li></ul>	<ul><li>Association</li><li>Agency</li><li>PHN's +++</li></ul>

# What can you do now?

Task	Information
Get a HPI-I & connect it to your organisation	Healthcare Identifiers (HI) Service for individual health care providers - Health professionals - Services Australia
Ensure cyber security	Digital health cyber security — Allied Health Professions Australia
CIS – need one? MHR conformant?	mhr-b2b-conformance-register20250522.pdf
Join the Sparked Community	Sparked – Consider the clinical design group first
Link to systems – MHR & PCA	Provider Connect Australia – Register  My Health Record for healthcare providers
Digital education	<u>Digital Health Hub — Allied Health Professions Australia</u> (22) Allied Health Professions Australia: Overview   LinkedIn
	Allied Health Professions Australia   Facebook  Allied Health Professions Australia (@ahpa_aus) • Instagram photos and videos
