

# Keeping up with the PHN

Healthcare in Darling Downs  
and West Moreton

## Online Information and GP Portal

Find the latest news, healthcare provider alerts, education and events, digital support tools and podcasts.

## Alerts

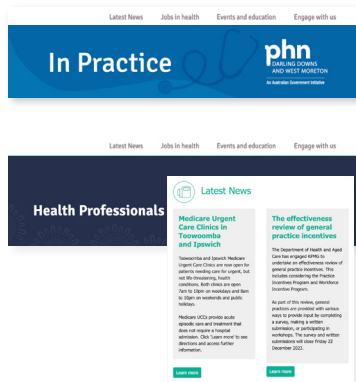

Urgent and important information, such as public health alerts, significant policy changes, and up-to-date details on issues such as pandemics and disaster. Sent as needed.

## Health Professionals News and In Practice

Covering general information about healthcare in our region, including new services, changes to policy, Hospital and Health Service (HHS) updates, education, and events.

In Practice is a monthly general practice specific newsletter. It is sent out on alternating fortnights with Health Professionals News.

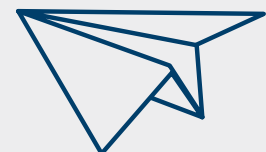

## PHN News

Good news health stories and information about the services we commission and work we are doing to connect health in our region.

## GPs in a Pod

The PHN's podcast series, where we talk to local experts about contemporary clinical information and guidelines relevant for today's GP.

## Subscribe to our Newsletters

Stay up-to-date with  
information from our PHN
