Medical Objects

The cost of our GP Standard Edition (Sending & Receiving) is \$300 Plus GST per practice per year. This covers the free remote install, training over the phone, support during business hours and the ability for all the GP's at the practice to send and receive as much as needed. To sign up, all the practice needs to do is to complete the below application form:

GP Standard Edition (Sending & Receiving):

www.medicalobjects.com/forms/online/?form=au_gp_standard_edition

Once the form has been completed and returned, a helpdesk technician is normally in contact within 2-3 business days to organise the install and training.

Medical Objects also offers their GP Basic Edition (Receive Only) for free.
