Invitation

On behalf of the Darling Downs and West Moreton PHN and West Moreton Health, we warmly invite you to be a part of the West Moreton GP Symposium 2025.

The GP Symposium is a one-day deep dive into perinatal care, diabetes, cardiology, emergency medicine, and the latest updates from West Moreton Health.

This is an in-person event that delivers real and meaningful connection between GPs and their peers across the health system.

Over 60 participants are expected to attend, presenting a valuable marketing opportunity for organisations interested in reaching and educating GPs who are interested in connecting with service providers and referral agencies.

This opportunity offers a complementary trade display for local healthcare organisations, please note this opportunity is subject to an Expression of Interest, and display stalls are strictly limited.

CPD points

This symposium will be a RACGP approved CPD activity under the RACGP CPD Program.

Symposium organisers

Trade display

Darling Downs and West Moreton PHN and West Moreton Health are keen to connect GPs to service providers that support them to provide high quality care.

We invite you to join us on the day, free of charge.

We will provide:

- One trestle table per organisation
- Two chairs per organisation

The trade display tables will be set up in the adjacent room to the main Symposium to enable GPs to visit your stall before and after the event, as well as during breaks.

Book your table:

Visit bit.ly/WMTradeDisplay and complete the trade stall booking form and a member of Darling Downs and West Moreton PHN will be in touch.

To learn more or to register visit:
